‘Mortified’ MP says sorry for ‘altercation’

LABOUR former minister Chris Bryant has apologised to Speaker Sir Lindsay Hoyle for challenging his authority during an “altercation” at Prime Minister’s Questions.

The MP for Rhondda *(above)* told the Commons: “I am utterly mortified by the events of last week when my heckling interrupted proceedings during Prime Minister’s Questions and when I challenged the authority of the chair.

“I entered into an altercation with the chair and I did not treat the chair with due respect.

“That is unacceptable and I apologise unreservedly to the House and to you personally, Mr Speaker.

“I wish none of this had ever occurred and I fully accept my conduct was unacceptable.”

Sir Lindsay replied: “I accept your apology.”

UK agrees £5bn Mexico trade deal

THE UK has signed a trade deal with Mexico worth more than £5billion.

International Trade Secretary Liz Truss said the agreement will allow the countries to “take our trade to new heights”.

The UK-Mexico Trade Continuity Agreement is expected to benefit the automotive, agriculture, pharmaceutical, textiles, food and drink, and other manufacturing industries.

It will keep tariffs on car and UK beverage exports at 0%, saving tens of millions of pounds in duties which would have been applied under World Trade Organisation terms.

RECORD REDUNDANCIES AS COVID BITES

MORE people were made redundant between August and October than at any point on record as the coronavirus pandemic continued to hammer the labour market, figures show.

The Office for National Statistics (ONS) revealed redundancies reached a record high of 370,000 in the quarter, despite a slight fall in redundancy numbers in October.

Unemployment in the UK increased to 4.9% in October, up from 4.8% in the previous month.

However, this was below the expectations of economists, who predicted an unemployment rate of 5.1% in October.

The number of UK workers on payrolls dropped slightly last month and has fallen by 819,000 between February and November due to the impact of COVID-19, the ONS added.

ONS director of economic statistics Darren Morgan said: “Overall, we have seen a continuation of recent trends, with a further weakening in the labour market.

“The latest monthly tax numbers show over 800,000 fewer employees on the payroll in November than in February, with new analysis finding that over a third of this fall came from the hospitality sector.

“In the three months to October, employment was still falling sharply and unemployment rising, but the number of people neither working nor looking for work was little changed.

“Average hours per worker were continuing to recover, though this was before the second lockdown in England.

“While there was another record rise in redundancies in the latest three months as a whole, they began to ease during October.”

IS CHRISTMAS CANCELLED?

VIRUS SURGE FEARS: London mayor Sadiq Khan

By COLIN HURST
news@sundaysport.co.uk

THE five-day lifting of COVID rules could be in peril, with increasing numbers calling for the “holiday” to be scrapped.

London mayor Sadiq Khan yesterday joined the clamour by urging the government to review the relaxation of rules over Christmas amid fears of a surge in coronavirus cases in January and increased pressure on the NHS.

The mayor also stressed that following the eased rules over the festive period is not “mandatory”.

“Just because you are allowed to see other households doesn’t mean you have too,” he said.

“If you are seeing an older relation there’s no need to kiss, hug and spend too much time embracing them.”

Proposals agreed between the UK government and the devolved administrations allow people to see their relatives and to form “bubbles” with three households between December 23-27.

The government has no plans to reconsider the rules, but health secretary Matt Hancock warned on Monday he could not rule out “further action” after plunging millions of people in the capital and southeast into the toughest Tier 3 restrictions.

Mr Khan told BBC Radio 4’s *Today* programme: “My concern is many people may have the virus, not realise it, they could pass the virus on to an older relation and we are so close now to the end of this.

“The vaccine is being rolled out and families will kick themselves if they pass the virus on during Christmas.”

Blunder

The British Medical Journal and Health Service Journal have jointly called for the “rash” decision to relax social distancing measures over Christmas to be scrapped.

They said the government “is about to blunder into another major error that will cost many lives”.

The warning said: “When Government devised the current plans to allow household mixing over Christmas, it had assumed the COVID-19 demand on the NHS would be decreasing.

“But it is not, it is rising, and the emergence of a new strain of the virus has introduced further potential jeopardy.

“Members of the public can, and should, mitigate the impact of the third wave by being as careful as possible over the next few months.

“But many will see the lifting of restrictions over Christmas as permission to drop their guard.

“The Government was too slow to introduce restrictions in the spring and again in the autumn.

“It should extend the tiers over the five-day Christmas period in order to bring numbers down in the advance of a likely third wave.”

Bake Off Prue: My Pfizer jab was ‘painless’

PRUE Leith has shared a photograph of her being vaccinated against coronavirus.

The Great British Bake Off judge, 80, described the jab as “painless”.

Leith shared an image of herself wearing a mask *(above)* while a medic gave her the vaccine.

Alongside the picture, she wrote: “Who wouldn’t want immunity from #Covid19 with a painless jab??”

The rollout of the vaccine has begun in the UK, starting with healthcare workers, people living in care homes and the elderly.

Those receiving the Pfizer vaccine will be given a booster jab 21 days after their first dose to ensure the best chance of protection against the virus.

Leith was praised by some on social media for sharing her experience online.

One Twitter user wrote: “Well done Prue. It doesn’t hurt, protects the most vulnerable and works.”

Another said: “Good on you, Prue, for being an example of reason and sanity!”

Weekly virus deaths drop below 3,000

REGISTERED weekly deaths involving COVID-19 in England and Wales have fallen for the first time in three months, new figures show.

There were 2,835 deaths registered in the week ending December 4 where “novel coronavirus” was mentioned on the death certificate, the Office for National Statistics (ONS) said.

This is a fall of 205 deaths from the previous week and the first weekly drop since the week ending September 4.

The latest data covers the seven-day period during which the four-week national lockdown was lifted on December 2.

The biggest decrease in deaths involving coronavirus was in those aged 80 to 84, with 60 fewer deaths compared with the previous week.

CROSSBOW MAN GUILTY OF TERROR CHARGE

A MAN has been found guilty under the Terrorism Act of possessing weapons including a crossbow and machete.

Gabrielle Friel, 22, was found guilty of possessing the weapons at various locations in Edinburgh last summer – including his home, a social work centre and a hospital in circumstances giving rise to the reasonable suspicion that possessing them was for a purpose connected with terrorism.

A second charge that he prepared for terrorist acts by researching spree killings, particularly those connected with incels – people who are involuntarily celibate – was found not proven, following a five-day trial at the High Court in Edinburgh.

As part of this charge, Friel *(left)* was accused of having “expressed affinity with and sympathy for one incel-motivated mass murderer” and to have expressed “a desire to carry out a spree killing mass murder”.

Friel denied both charges.

The weapons he was found guilty of possessing between June 1 and August 16 last year are a crossbow, scope, crossbow arrows, a machete as well as a ballistic vest.

Sentencing was deferred until January 12.

She always looks like she's straining to push out a large poo.

WHEN she shared a snap of herself posing in a new frock outside her mansion, Kylie Janner would never have known she's attracting FART FETISHISTS!

But that's EXACTLY what happened after Kylie posted some new snaps on the social media site Instagram.

Posing outside her £27million Holmby Hills mega-mansion, the 23-year-old makeup mogul closed her eyes and enjoyed the light breeze.

By GRACE HOOPER

She looked absolutely sensational in the series of sultry shots.

"December in LA," she wrote in her caption.

Fun

Nodding to her new hair colour, she shared an additional slideshow for her 202 million Instagram followers, which she captioned: "Found out red heads have a lot of fun."

But the colour of Kylie's hair was not of any interest to deranged souls looking at her snaps reproduced on the website of the Daily Mail newspaper.

Reader Tim454, who claims to live in London, slobbered: "Look at her bottom! Can you imagine how beautiful her bottom hole is? I would love to speak to it up close and personal while it blows flatulence in my face."

Eproctophilia, a sexual fetish for flatulence, is considered one of the most troubling perversions of human sexuality.

A friend of the star said: "Kylie would be horrified to think that Daily Mail readers are furiously masturbating while daydreaming of her expelling arse gases from her anus."

Ex-Neighbours star is cleared of sex assaults

FORMER Neighbours actor Craig McLachlan has been cleared of allegations that he assaulted four women during a stage show.

The 55-year-old star was found not guilty of all 13 charges during a hearing at Melbourne Magistrates' Court.

The seven indecent assault charges and six common assault charges dated back to 2014, when McLachlan starred in The Rocky Horror Show in Melbourne.

McLachlan (above), who played the lead role of Frank-N-Furter in the show, has consistently denied the allegations.

He told the court that he often hugged and kissed his fellow performers, which he deemed "commonplace" in showbusiness.

Drug deaths at all-time high

DRUG-related deaths in Scotland have reached another all-time high with more than 1,200 fatalities in 2019.

Last year saw 1,264 deaths which had a drug-related element – a higher rate than across all EU countries, and more than three times the UK as a whole.

The National Records of Scotland figures show a 6% increase on 2018 when Scotland also recorded the highest rate across Europe.

The rate of increase has slowed significantly since the 27% rise between 2017 and 2018.

'FACEBOOK Affairs' are on the rise and one in five people are having sex with an ex they have found on social media, according to a new survey.

Three-quarters of those surveyed (74%) regular track their former partners and study pictures of them on sites such as Facebook.

And two-thirds of respondents (64%) say they still have 'unfinished business' with former flames and long to reconnect with at least one ex-lover.

The peak time to reconnect with an old flame is at Christmas and New Year, followed by their birthdays.

The results were revealed in a new survey of 2,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

It found that 62% of people have reconnected with a former partner via social media.

In just over half those cases (54%), the approach was made because they were keen to get news and pictures of the ex but had no interest in rekindling the romance.

But 46% of respondents say they have contacted former partners because they still have feelings for them and want a romance to develop, even if they are in a relationship.

Affairs with exes happen in 22% of cases.

Half of those questioned (53%) said they were curious to see if sex with their ex was the same the second time around.

More than half of men (58%) said they were still 'sexually curious' about their former partners, compared to 46% of women.

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "It is easy to track our former lovers via social media. Lots of people have formed WhatsApp groups with friends from school and university.

"Christmas and New Year is the peak time for sex with the ex – because it gives us an excuse to reach out to someone with whom we have unfinished business.

"This is especially true this year when lots of people will be looking to reflect on what has been a tumultuous time for everyone with the Covid crisis.

"With that crisis set to ease next year, there will be a big rise in Facebook Affairs as those friendly 'how are you?' emails develop into something much more personal."

Sharon's trip to hospital with COVID

SHARON Osbourne revealed she has tested positive for COVID-19.

The TV presenter and former *X Factor* judge, 68, said she was briefly in hospital with the virus.

Osbourne *(above),* a host on US chat show *The Talk,* said she has been separated from rocker husband Ozzy 72, while she recovers.

She tweeted: "I wanted to share I've tested positive for COVID 19. After a brief hospitalisation, I'm now recuperating at a location away from Ozzy (who has tested negative) while The Talk is on scheduled hiatus.

"Everyone please stay safe and healthy."

The Talk is filmed in Los Angeles County, where the Osbournes live.

California is in the grip of a deadly wave of COVID-19.

Other celebrities to publicly announce a COVID-19 diagnosis include Tom Hanks and his wife Rita Wilson, actor Idris Elba and *Breaking Bad* star Bryan Cranston.

Call to spend on regional rail links before HS2 plan

REGIONAL rail links should be prioritised over HS2, Government advisers say.

The National Infrastructure Commission recommends that investment should be focused on boosting mainline services across the North and Midlands, rather than the eastern leg of the high-speed railway to Leeds.

Sir John Armitt, who chairs the NIC, said: "Major rail schemes will be an important component in levelling up the country's economic geography.

"The number and scale of rail schemes currently being proposed for the North and Midlands mean some form of prioritisation will be necessary.

"Our independent analysis offers Government various ways of targeting spending – depending on the precise economic and social outcomes it wants to achieve."

SEX CHEAT THUG BIT WIFE'S NOSE

His missus caught him balls-deep with other woman on their ANNIVERSARY

GUILTY: Dale Hillyar

A THUG bit his wife after she caught him having sex with another woman in a park on their wedding anniversary.

Tina Hillyar became suspicious after hubby Dale offered to walk home "a good friend" following a party to celebrate their 19 years together as well as her birthday.

When he took longer than expected to return to their house in Southampton, Hants, Tina went out to look for him and was horrified to spot him "having sexual relations" with the woman in a nearby park.

By COLIN HURST
news@sundaysport.co.uk

Hitting

Magistrates in Southampton heard that when she disturbed the pair, her 37-year-old husband bit his wife on the nose before holding her against a fence and hitting her.

A passerby intervened and tried to put Dale in a jujitsu 'sleeper hold' but Hillyar struggled free and even bit through the man's leather jacket, making his chest bleed.

When he was later arrested Hillyar told police that he could not remember the incident during the early hours of September 13.

He was charged with assault by beating plus a count of assault causing actual bodily harm against the man who intervened.

He pleaded guilty to both charges.

The court heard Mrs Hillyar did not want to support the prosecution case and did not want a restraining order against Hillyar.

Magistrates gave Hillyar a 12-week jail sentence, suspended for 24 months.

He was also ordered to complete 80 hours of unpaid work and 20 days of rehabilitation and must pay a £122 victim surcharge, £200 compensation and £85 court costs.

GRUNGE rock icon Courtney Love flashed a NIPPLE and a whole lot of naked torso beneath her peach-coloured robe in a bathtime mirror selfie she posted from her London flat.

And the 54-year-old Hole frontwoman, who boasts 992K Instagram followers, captioned her post: "They marvel at my scandals. My vengeful washed up astrals / All f**ked up in black pastels / Yeah #getouttamyhouse."

With her bathrobe open, lucky fans VERY nearly got a look at her CLUNGE!

Courtney has no hang-ups about nudity considering she went nude for her Golden Globe-nominated acting role as Althea in *The People vs. Larry Flynt* in 1996.

Love – who was married to Nirvana star Kurt Cobain – was also known to strip at some of her concerts and used to work as a stripper back in the 1980s.

The four-time Grammy nominee refers to the last 14 months of her life as her "recluse London phase".

While in England, Courtney has been hard at work on a new solo album and penning her decade-in-the-works memoir.

POLICE BREAK UP HAIR SALON RAVE

THE owner of a hairdresser in London's West End is facing a £10,000 fine for creating a makeshift club in the shop's basement.

Police were called to the Cut and Grind salon in Soho in the early hours of December 11 and found more than 100 people inside.

Officers had to walk past barber chairs and sinks and down a flight of stairs to reach the basement, where a bar and dancefloor had been set up.

Turntables and a set of speakers had also been placed there, the Metropolitan Police said.

The Met added that crowds were dispersed quickly and the owner was identified and reported for consideration of a £10,000 fixed penalty notice.

It comes as the capital prepares to move into Tier 3 – the UK's toughest set of coronavirus restrictions, from midnight yesterday.

PC Steve Muldoon from the Soho policing team, said: "London is on the cusp of stricter restrictions and it is deeply concerning and irritating that people are still willing to break the rules and put the health of Londoners at risk."

Woman hid body to cash in dead man's benefits

A WOMAN hid her roommate's body in a dustbin so she could collect his Social Security benefits.

Michelle Haney, 48, told cops she found Jon Leonard dead in their mobile home in Bradenton, Florida.

But instead of calling police, Haney stuffed Leonard's body in a cupboard for three weeks.

She then put the rotting corpse in a bin and left it with a neighbour.

Haney allegedly told the neighbour she would come back for the bin later.

But after two months, Haney still hadn't shown up.

The neighbour opened the bin and discovered Leonard's still-decomposing body.

Haney later admitted to deputies she had hidden Leonard's body so she could collect his Social Security money.

Authorities are investigating how Leonard died.

Haney (above) was arrested and has been charged with abuse of a human body.

Porn star booted off Instagram after gag about oral sex with boss...

NAKED LIE: Kendra made up Mosseri (below) 'blowing' tale

By SUZIE SHELDON
news@sundaysport.co.uk

PORN star Kendra Sunderland got banned from Instagram after joking she was SUCKING OFF the social media firm's boss.

The social site pulled down her verified account – followed by 2.2 million fans – after she livestreamed her topless self doing a naughty act.

Boobs out pics are banned on the site but Kendra suggested she could get away with her shenanigans because she was having an affair with Instagram CEO Adam Mosseri.

Sunderland, 25, known for filming a sex scene in the library of Oregon State University, had posted a topless photo of herself and told her followers she could put up the picture because she was "blowing" the "CEO of Instagram".

Crazy

Despite complaints from users, Instagram claimed Sunderland's post didn't go against community guidelines.

But Instagram did an about-face after her Instagram Live post.

Bragged Sunderland: "Hey guys! I just wanna let you know I'm not deleted yet… I'm batshit crazy. I might be sucking off the CEO of Instagram. But whatever it is, I'm here to stay!"

Fellow porn star Alana Evans tweeted: "I don't usually call out performers for their behaviour on Instagram, but today I am done. This was posted to IG AFTER Kendra sucked off a dildo while TOPLESS LIVE on her IG story! NO MORE NEGOTIATIONS @INSTAGRAM Hey @mosseri wtf is this? Does your wife know?"

Sunderland's account was history within 12 hours of Evans' tweet.

A rep for Facebook, which owns Instagram, said: "This account violated our policies and we've now removed it. This person has no connection to executives at our company."

Sunderland blamed the videos on alcohol and insisted she has never met Mosseri.

"I was also going crazy on Live yesterday, doing things I know I shouldn't have and was just drunk and didn't care. I'm guessing that's why.

"I would be surprised if the other reason was why, because I said it in such a joking manner.

"I never even really knew who the CEO of Instagram was, or anything. I've never met this person before in my life."

Dirty doc dishe out drugs for s

A PERVY doc faces 20 years in prison for trading prescription drugs for sex.

Joseph Santiamo, 65, of Staten Island, New York, pleaded guilty to conspiracy to distribute oxycodone.

Craig Carpenito, the US Attorney for the District of New Jersey, said Santiamo admitted prescribing more than 100,000 opioid pills to patients, in return for sexual favours.

Carpenito said: "This defendant knowingly prescribed his patients dangerous quantities of oxycodone and even more egregiously solicited sexual favours from certain patients who were struggling with substance abuse, in exchange for writing them additional opioid prescriptions.

"He will be appropriately punished for this behaviour."

Field w**k perv tries to claim immunity

A PERVY flasher who was caught wanking in a field said he thought it was OK as he was “protected by Her Majesty The Queen”.

Reza Hatami, 38, of Ryde on the Isle of Wight, had denied intentionally exposing his genitals to cause harassment, alarm or distress, contrary to the Sexual Offences Act, but magistrates found him guilty following a trial.

A 56-year-old woman out walking near Ryde on July 12 saw Hatami in an aroused state and fled.

As she looked back to check he was not following her, she could see him furiously masturbating while watching her.

The terrified victim walked home, where her daughter’s boyfriend said he would go out and see if the man was still there.

He found the man and called the police and the witness later picked Hatami out of an identity parade.

Hatami admitted exposing himself, and even boasted to police about the size of his penis while confirming he’d asked the woman if she wanted to join him.

In court he said he could claim diplomatic immunity, but this was dismissed.

Hatami will be sentenced on January 11.

Drug gang leave handy warning to other thieves

A MEXICAN drug cartel dumped three accused thieves – and their severed hands in a black bag – on a road.

The badly wounded men and a woman, aged 22 to 25, were found by passersby in Silao, Guanajuato, blindfolded, bound, whimpering and holding up their bloodied stumps.

Their hands – six in all – were found in the bag nearby.

Tied to the trio were signs with messages including: “This happened to me because I am a thief who doesn’t respect hard-working people.”

Another said: “Whoever continues to steal, this will happen to them.”

The missives were signed CJNG – which stands for Jalisco Nueva Generacion Cartel – one of the biggest narcotics gangs in Mexico.

CAN there be anything finer on God's lovely earth than a bit of slobbery lady-loving?

And movie producers know there is no better way to get dads through the doors into the cinemas – those that are still allowed to open, that is – than a bit of on-screen lesbian lust.

Kate Winslet's latest film contains lesbian love scenes which see the actress stark naked and yelping in red-faced delight alongside on-screen partner Saoirse Ronan.

The new movie, *Ammonite*, is apparently something to do with a 19th century fossil hunter – but it's Kate and Saoirse's explicit minge-feasting that's driving the critics wild.

Panting

Images released ahead of *Ammonite's* premiere show reclusive fossil hunter Mary Anning, played by Kate, and younger Charlotte Murchison, played by Saoirse, lying on the sheets sharing a delicate kiss.

Things quickly turn raunchy as they strip completely naked with Kate, 45, lying on her back with her breasts exposed.

Later, Saoirse straddles Kate's panting face and lowers her glorious crotch onto the older actress's mouth.

But *Ammonite* is not the first movie to celebrate the idealised version of lesbian love.

Crown star Helena's advice for single girls

SEX TOY COMFORT: Helena naked in 2002 film *The Heart of Me* and *(right)* in *The Crown*

HELENA Bonham Carter has advised single women to get a VIBRATOR to cope with any further lockdowns.

The Crown star has teamed up with dating app Bumble's campaign to champion the effort of pandemic daters.

And the 54-year-old Oscar-nominated actress said ladies should give themselves an easy time of things this year.

By GRACE HOOPER
news@sundaysport.co.uk

She advised: "Get a vibrator – and a weighted blanket for hugs.

Neurotic

"Also, do nothing. When the world is going crazy, when you are in shock from something, these are times to do nothing, be still.

"Forget progress. Just be. Aim for tea in the afternoon and nothing more ambitious."

Helena discussed how her single friends have coped and said: "I think this year has been incredibly difficult.

"Bumble have done their research and found that a lot of people who are single have felt that they've lost a year and they'll never catch up.

"Which is, of course, neurotic nonsense and totally understandable."

But Helena, who has been dating writer Rye Dag Holmboe, 32, for two years, believes single women shouldn't feel guilty if they haven't tried to meet anyone this year.

She said: "It's been an impossible year. But impossibility is still the mother of creativity and there are still ways to meet people online.

"I have friends who have hit 35 and think they need to get a man or have a baby, but people should just quit putting those goal posts on themselves."

Bumble, the women-first social app, have created a film starring Helena, titled 'When Dating Met 2020', championing those who have made an effort to date this year.

'Stripper party' broke virus rules

AUTHORITIES busted an underground strip club for offering hot-and-heavy lap dances in violation of pandemic restrictions.

Cops raided Paper Rain in Brooklyn, New York, after the bar advertised a "stripper party" from 6pm to midnight.

They witnessed "exotic dancers" giving customers lap dances.

Punters and employees ignored COVID-19 rules by failing to social distance or wear face masks.

And one dancer was drinking at the bar.

The party violated New York's 10pm curfew imposed on bars and restaurants to curb the coronavirus spread.

Businesses violating COVID-19 regulations face fines up to $10,000.

DEVIL WORSHIPPER'S SECOND MURDER RAP

A SELF-PROCLAIMED devil worshipper charged in a 2016 Texas slaying has been accused of killing again after being released on bail.

Edward O'Neal, 23, was locked up for four years while awaiting trial in the stabbing death of his 16-year-old friend Ryan Roberts.

He was freed on bail in August. But O'Neal is back behind bars, accused of gunning down his cousin's ex-boyfriend, Derrick Mike.

The 39-year-old victim was found shot on November 28 and described his assailant to cops before he died the next day.

Police said O'Neal confessed both murders to his mother, who told officers that her son "has mental issues and she is afraid of what else he may do."

After the first killing, O'Neal *(left)* admitted being a follower of Satan in a jailhouse interview – but denied slaying his friend.

BUST AMAZING: Linda will bare all again in *The Real Full Monty on Ice*

Page 3 legend Linda targeted by sick trolls as she battled COVID-19

By JAYNE FERGUSON
news@sundaysport.co.uk

EVIL internet trolls told Page 3 legend Linda Lusardi to "get your t*ts out one last time" while she was fighting for her life after contracting COVID-19.

The gorgeous former model caught the deadly bug in March and was "at death's door".

She was rushed to hospital with husband Sam Kane, who had also caught the virus, and spent nearly two weeks in intensive care.

"I ended up in hospital for nine days, it was touch and go for a while," Linda said.

"Everyone out there was so supportive – family, friends and people on Twitter.

"But there were the odd trolls. They put 'Come on Linda, get your t**s out one last time before you croak'."

But Linda, 62, who is now starring in ITV's *The Real Full Monty on Ice*, added: "It did make me laugh.

"Well, I am going to now. Here you are!"

Sam was sent home after three days but was not allowed back in hospital to see his wife for some time.

"I went into meltdown thinking I would never see my wife again," he told ITV's Lorraine Kelly at the end of March after they had both recovered.

Sam was finally permitted to visit Linda – but what he saw shook him to the core.

"When I walked through the door I thought she was gone, she looked like she was dead," he revealed.

Linda added: "The doctor said to me you're 61 and we don't know what we're dealing with here and you might not make it.

Their son Jack, 20, had to watch both of his parents being taken away in the ambulance "not knowing if we would ever come back".

Sam added: "It was so much stress and the kids didn't want to let us know how scared they were, which was terrifying."

Linda is part of *The Real Full Monty On Ice* charity special, which aims to help raise awareness of cancer and will see 10 celebrities bare all while ice skating.

GREALISH HANDED NINE-MONTH DRIVING BAN

ENGLAND footballer Jack Grealish has been banned from driving for nine months and fined a total of £82,499 after crashing his high-powered £80,000 Range Rover during March's COVID-19 lockdown.

The 25-year-old Aston Villa captain was sentenced at Birmingham Magistrates' Court on Tuesday after previously pleading guilty to two charges, including one linked to the incident in which his 4×4 hit two parked vehicles in Dickens Heath, Solihull, West Midlands.

A judge was told that a witness said Grealish smelled of "intoxicating liquor" and was slurring his words immediately after the crash on March 29.

The Premier League midfielder, of Barnt Green, Worcestershire, was involved in the incident less than 24 hours after issuing a Twitter video message urging people to stay at home to save lives and protect the NHS.

He apologised shortly after for "stupidly agreeing" to go to a friend's house.

Grealish *(right)* also pleaded guilty to a separate offence of careless driving after an unmarked police car spotted him driving at more than 90mph along the M42 on October 18.

Grealish is "deeply ashamed", his lawyer, John Dye, said. "Not just because reputationally this is problematic for him, but he is genuinely sorry."

'Perfect selfie' woman plunged 260ft to death

A WOMAN plunged 260 feet to her death in front of her horrified husband and two sons after climbing over a safety barrier at a nature reserve's "perfect selfie" spot.

Rosy Loomba, 38, was hiking with her family at picturesque Grampians National Park in Victoria, Australia, when she decided to pose for a photo at the Boroka lookout near the village of Halls Gap.

Police have issued many warnings about the dangers of the idyllic spot – famed on Instagram as the "perfect selfie" spot.

But Rosy *(above)* scaled a railing and plummeted to her death as her husband, Basant, and two young sons looked on.

It took emergency personnel more than six hours to retrieve her body from the rugged terrain using a winch.

Police Minister Lisa Neville said that "no photo is worth a life" and urged people to look out for their safety.

Stop scoffing cannibal sarnies this Christmas!

HEALTH officials in the US state of Wisconsin have urged locals to cut "cannibal sandwiches" from their Christmas menus this year.

The dish – also known as "tiger meat" – consists of raw ground beef and sliced raw onions on rye bread.

"For many #Wisconsin families, raw meat sandwiches are a #holiday tradition, but eating raw meat is NEVER recommended because of the bacteria it can contain," the Wisconsin Department of Health Services tweeted.

"Ground beef should always be cooked to 160 degrees!"

The department warned that eating raw meat "poses a threat for Salmonella, E. coli 0157:H7, Campylobacter and Listeria bacteria."

THE Kardashian clan are like the Mafia in *The Godfather 3* – just when we think we're out, they pull us back in...

This time it's because of the wonderful work of Khloe, 36, who is promoting her new shoe collection – including her kinky boots.

And of course, Khloe used her promotion for her Good American shoe collection as a chance to go nearly nude for the campaign.

The Instagram for the clothing company founded by the reality TV star shared a revealing snap of Khloe wearing NOTHING but a pair of black satin knee-high booties.

It was captioned: "The shoe collection you've been waiting for. More sizes. More widths. All the attitude. Drops 12/03. All styles available in sizes 4-14 in standard & extended widths."

Like with all Kardashian projects, Khloe will no doubt clean up. After all, after a sift through our archives reveals, Puss-y in Boots has always been a winner...

BOOT-IFUL: Curvy Khloe has plunged feet first into an eye-popping new collection

THE WEDDING NIGHT KILLER

PURE EVIL: Hutchinson described himself as 'The Fox'

STABBED TO DEATH: Solicitor Basil Laitner

PSYCHO Arthur Hutchinson was so convinced he would get away with his heinous crimes he taunted the police who were trying to catch him.

After brutally murdering three members of the same family on the night of their daughter's wedding, he went on the run for 16 days.

Calling himself The Fox, he taped messages and rang up radio stations and newspapers to mock the police chasing him.

But he failed to outwit the law.

His crimes were so brutal, so despicable and inhuman that he is one of the few killers in Britain's jails who will never be released.

BRIT
SICK
KILL

By KOURTNEY KENNEDY
news@sundaysport.co.uk

LYING in their bed, Basil and Avril Laitner were reflecting on one of the happiest days of their lives.

Their daughter Suzanne had been married that afternoon and their closest friends and family had gathered in the garden of their home, in Dore, near Sheffied, for the reception.

They had hired a huge marquee and pulled out all the stops – champagne, the finest food, music and dancing.

There had barely been a dry eye in the house when solicitor Basil made his father-of-the-bride speech, telling everyone how beautiful his daughter looked and how much he was looking forward to welcoming his new son-in-law, Ivor Woolfe, into his family.

When the happy couple drove away to their honeymoon, the family were left alone, tired but happy.

But that warm glow of contentment was about to be destroyed in the most horrifying way.

HORROR: Bride Suzanne (*left*) with victims Richard and mum Avril

Because as Basil and Avril shared their memories of the day, evil was forcing its way into their home – an evil that would leave three family members dead and an 18-year-old girl forever traumatised.

An evil named Arthur Hutchinson.

Escaped

Hutchinson was a criminal on the run. On September 28, 1983, he had bolted from Selby Magistrates Court in North Yorkshire where he had been due to appear on a charge of rape.

After asking to go to the toilet, he had dived through an open window and escaped.

Over the next three and a half weeks, the 42-year-old found his way to Dore, 50 miles away.

Hungry and dirty, he prowled the darkness looking for shelter before he spotted the Laitner house and broke in.

What followed turned the suburban home into a horror movie set.

His first victim was the Laitners' eldest son, Richard, 28.

Police believe he saw a bridesmaid's dress hanging on his door and was hoping to find a girl in the room to rape her.

Instead, he discovered the sleeping young barrister and erupted into a rage, stabbing him to death.

The noise alerted Basil, 59, who went to investigate, only to be met by Hutchinson lurking on the stairs with his knife drawn.

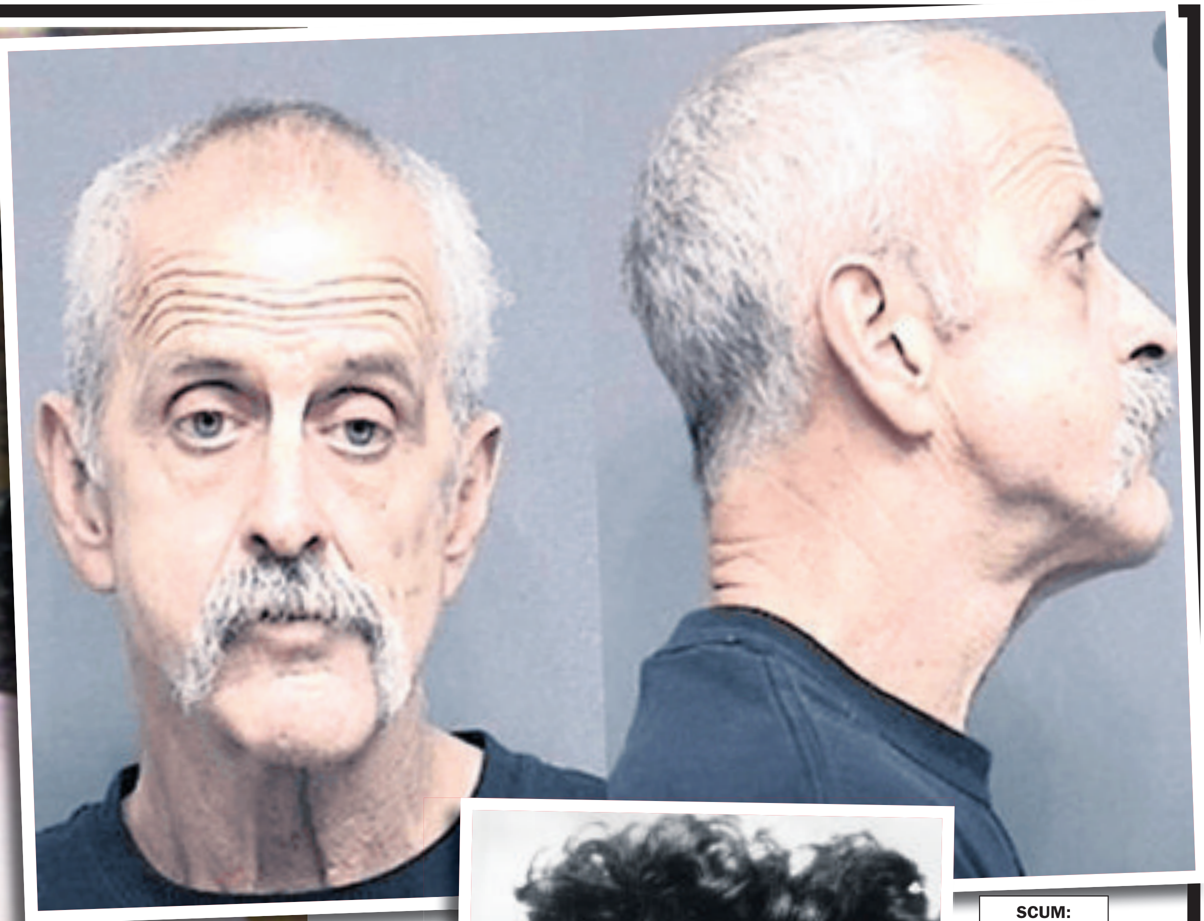
He struck quickly and Basil tumbled down the staircase, blood spurting from his wounds.

Kills

But those two kills were not enough to sate Hutchinson's bloodlust, and he made his way to the master bedroom where Avril, 55, was cowering.

Not knowing that her son and husband were already dead, she pleaded with her killer: "Take the money and go,

IN FRIDAY'S WEEKEND Sport



SCUM: Hutchinson, pictured now and at the time of his killings

WEDDING DAY

YOU WILL DIE IN PRISON

AIN'S KEST ERS

just leave us alone."

But her words fell on deaf ears and Hutchinson launched his knife attack, slicing through her body 26 times.

The only person left alive in the house was a teenage girl who had been a bridesmaid at the wedding.

She had heard Avril's screams as she fought for her life.

All she could do was to wait helpless, knowing someone was coming for her.

The door opened and Hutchison appeared.

Flashing a torch in her face he told her: "Scream and you're dead."

Horrible

Holding a knife to her throat, he walked her out of the room.

As he led her past Basil's body he told her to cover her eyes so she wouldn't see "something horrible".

She felt the blood on her bare feet as she stepped over the corpse.

He took her into the marquee and handcuffed her to a chair.

Describing her ordeal, the girl said: "I begged him not to kill me. He said he wouldn't if I did as he said."

Hutchinson raped her three times.

As dawn approached and she was tied to the bed, Hutchinson raped her one more time before walking out of the house.

Horrified workmen who had come to take down the wedding marquee found her later that day.

Despite her trauma, the girl was able to give police an excellent description.

Armed with an artist's sketch and a fingerprint from a champagne bottle that Hutchinson had swigged from, they knew he was their man.

Tricks

And in a bid to catch him they employed psychological tricks.

Cops briefed the press that Hutchinson's mother was ill and that he himself was at risk of gangrene from a cut in his leg sustained when escaping from court.

Hutchinson was also playing mind games, calling radio stations and newspapers to taunt the police by describing himself as The Fox, too cunning to be caught.

Recording his exploits on the run, he raved: "I've been able to listen to everything. Where they've been looking for me. Like a game of cat and mouse, or should I say a fox on the trot."

Some 16 days later, 'The Fox' was snared as he tried to visit his mum in Hartlepool.

He tormented his victims – denying the murders and claiming the bridesmaid consented to sex, forcing her to take to the witness stand.

A jury dismissed his claims and he was jailed for a minimum of 18 years, increased to a whole life tariff by Home Secretary Leon Brittan.

In 2017, the evil killer used the European courts to claim that the sentence breached his human rights.

They too ruled he should die behind bars.

DID THE GRANNY SLAYER KILL 750?

Murder beast facing death penalty

A SUSPECTED serial killer has been linked to the murders of 24 elderly women in their care homes – after investigators re-opened case files on at least 750 OAPs who died.

By COLIN HURST
news@sundaysport.co.uk

Home health aide Billy Chemirmir, 48, was first arrested on a capital murder charge in March 2018 as police in Dallas, Texas, set up a "very large and complex investigation" into possible deaths and thefts at care homes.

A Dallas County grand jury handed down three new capital murder indictments – taking his current total to 17.

Chemirmir *(above)* – nicknamed the Granny Slayer – has also been linked through medical examiner reports and civil filings in seven other death cases.

Exploiting

The charges come after police looked into at least 750 seniors who died unattended during the period Chemirmir was working in the region.

Chemirmir, a Kenyan citizen who was living in the US illegally, is in jail awaiting trial.

He faces the death penalty if found guilty.

He would allegedly dress as a maintenance worker or health care aid to get into the homes and kill his victims – whose deaths largely went uninvestigated at the time because they were assumed to have been natural causes due to their ages.

"Chemirmir used his healthcare experience to his advantage, targeting and exploiting seniors, some of the most vulnerable people in our community," Plano police chief Gregory W. Rushin said in a press conference, calling it "terribly disturbing".

The latest charges are all for women killed at Tradition-Prestonwood, a luxury senior living complex in Dallas.

Chemirmir denies the new charges.

WHAT'S ANNOYING HIM THIS WEEK?

How IS that privacy thing going, Harry?

HOW many months is it since Prince Harry and his missus sodded off to live in the "privacy" they so desired in the United States of America?

In this, the strangest of years in living memory, it feels like it was only yesterday.

But then it would be, because despite the couple supposedly desperately wanting to slip off the celebrity radar for good, we seem to hear more from them now than ever before.

Think about it.

There are the very public lawsuits aimed at some UK newspapers (not this one, mind).

Preachy shite about climate change – delivered by a couple who had just stepped off a private jet.

DOING AS HE'S TOLD? Prince with Meghan

Sulky

"Snubs" to the Queen.

An opaque Netflix deal thought to be worth somewhere above the £100million mark.

A sulky move from one multi-zillion-dollar Hollywood mansion to a near-enough-to-Hollywood zillionaire mansion of dreams.

Yet more preachy shite about being down with the kids while hanging out with Elton John.

The odd "accidental" photoshoot in a war cemetery.

So the question that must be asked is:

How IS that privacy thing going, Harry?

Dreary

Because from where I'm sitting, you've either got the worst PR advisors on the planet – or the absolute best.

Now we know Meghan has little time for the dreary old day job of cutting ribbons, wearing dull frocks and asking people where they're from.

But who is Our Former Harry these days?

Is he still an actual prince – or a prince in name only?

Is his only interest in life purely one of not getting told off by his missus for not doing what she says?

And, yes, putting the £???????m Netflix deal to one side for a moment – how DOES Harry pay his bills?

How big is the mortgage?

And are we mere plebs still funding it via a cloudy deal with the House of Windsor?

We really should be told.

BAD DEAL: Barnier's mission

WHEN former French finance chief Michel Barnier was first appointed as the European Union's chief negotiator on all things Brexit, he made it very clear what he considered his job to be.

He said very publicly that it was his job to come up with a "deal" so bad, and so damaging to the UK, that no other nation state members of this most ludicrous organisation would ever dare to try to leave again.

And that, dear reader, is why most of us voted to leave the EU in the first place.

So that the decisions we make are ours, and ours alone, and so that those who make them are fully accountable to the voters in Britain.

Then, if we don't like what Boris, or Keir, or the weird fellow in the yellow vest, does, we can vote them out and get another lot in to hopefully do a better job.

It really is, and was, as simple as that.

Santa and his elf nick car thieves

TWO undercover cops dressed as Santa Claus and his elf stopped would-be carjackers.

The festive crime busters were part of an operation dubbed “Santa’s Intervention” to curb retail theft.

They spotted three men trying to steal a white Honda CR-V in a car park at Canyon Springs shopping centre in Califoirnia.

One suspect fled and the other two tried to run away.

“When I looked over my shoulder I saw Santa running by me going after the second subject,” Detective Paul Miranda said.

Footage showed the officer dressed as Santa Claus slamming the suspect to the ground, while the officer in the elf costume arrested another suspect at gunpoint.

“Get him, Santa,” said a person who filmed the seasonal crime scene.

One of the suspects was later released, while the other was arrested for possession of illegal drugs and resisting arrest.

COVID bust-up victim gets a bullet in bum

A MAN was shot in the ARSE during a heated argument about COVID masks.

The 52-year-old victim was wounded during a dispute with another man in a New York street.

The victim walked to a nearby ambulance and was taken to Bellevue Hospital for treatment.

The suspect, who was concealing his firearm in a bumbag, fled after the shooting.

A witness said: “The shot man took the shooter to task for not wearing a mask.

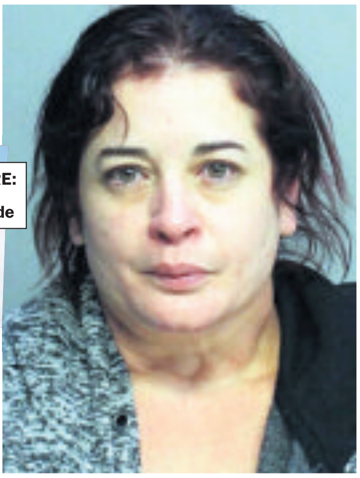
“When the shooter pulled a gun, the victim turned and started running away, but he got shot – right in the ass.

“You gotta love New York.”

Cops are searching through surveillance cameras that may have captured the shooting.

NYMPHO MUM SENT TEEN HORSE SEX PIC

NAG-GING DESIRE: Noa wanted to take boy for a ride



She bombarded lad with her demands for kinky nookie

A RANDY mum sent snaps of a woman having sex with a horse to an underage teenage boy she was desperate to have sex with, police say.

Darling Noa, 43, also sent the 15-year-old photos of her boobs and of herself in see-through nightwear, according to prosecutors.

Noa has been arrested on charges of lewd and lascivious conduct on a child under 16, electronic transmission harmful to children and aggravated stalking of a minor.

By GRACE HOOPER
news@sundaysport.co.uk

The teenage boy said Noa, his best friend’s mother, had told him she loved him after giving him a lift home.

Exposed

She sent him a photo of her breasts exposed, then one of her in her underwear with the caption “Good morning my love” and another showing her upper thigh area with the caption “I miss you”.

She also sent him several photos of herself in see-through lingerie exposing herself.

“[Noa] communicated to the victim that, when she saw him, he provoked her sexual desires,” the arrest report said.

At one point, Noa even sent him a photo of a horse having sex with a person, the report said.

Noa went to the teen’s home several times and asked his grandfather to give her the boy’s clothing sizes, saying she wanted to buy him clothes, the report said.

Noa also sent the teen a text asking him if he wanted to have sex with her.

“In a follow up text [Noa] tells the victim that if he really wants to do it, he needs to let her know so she can give the medicine to her children so that they go to sleep early,” the report said.

Noa told investigators that she felt a physical attraction to the teen and admitted sending the messages to him.

Noa, of Homestead, Florida, is being held in jail.

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'M a 38-year-old fella and have been single since divorcing my wife a couple of months ago... and I've also been horny as f**k!

I decided to do something about it and soon I met a fit 28-year-old blonde down at my local.

After a few drinks she began rubbing her hand up my leg and even patted my cock when no one was looking.

I whisked her back to my place and I had barely closed the front door before she had my cock out of my trousers and down the back of her throat.

Within a few moments we were shagging each other silly in all kinds of positions and we finished off by enjoying furious anal on the kitchen floor.

The problem is I haven't exercised in years and now I think I've buggered my back.

Am I too old for this nookie lark?

PJ, Lancs

Ashleigh says...

AT least you have ONE muscle that's working fine!

Dear Ashleigh,

I HAVE been with my girlfriend for a year and I thought we were getting on great – in and out of the bedroom – until a few weeks ago.

My girlfriend is quite good friends with one of her exes and they still spend time together.

I didn't mind because he seems a decent enough bloke and he told me he'd never do the dirty on me and even gave me tips on what really turns her on sexually.

But our relationship changed when we all went to the gym together the other day because, in the changing room, I discovered her ex is hung like a donkey.

He is double the size of me. I was shocked and it made me think I am not satisfying her like he did.

The situation is really freaking me out and it's starting to affect my performance in bed. What should I do?

NC, Norfolk

Ashleigh says...

HOW many times does it have to be said... it's not the size, it's what you do with it that counts.

I gave older and bolder blonde a special delivery

Dear Ashleigh,

I WORK for a parcels service and female customers love my special deliveries.

Most of my contacts are housewives whose husbands are at work.

My favourite is a 45-year-old fit blonde who is older, wealthier and knows loads of tricks.

I took a parcel the other week and she whisked me in before I could even ring the doorbell.

She was wearing a tight blouse and a short skirt, exposing her bronzed bare thighs.

I went straight for her half-open blouse and slipped it off before unclipping her bra and freeing her boobs.

As I played with them, she slipped to her knees, pulled out my eight-incher and began sucking it.

Soon we were both naked and I shagged her standing up in the hallway until we had simultaneous orgasms.

Now she's desperate for me to make a return visit, but I'm worried about losing my job.

What should I do?

VK, Birmingham

Ashleigh says...

CARRY on bonking. Your boss has probably had exactly the same experience!

My girl insists on showing our sex tape to her mates

Dear Ashleigh,

I'VE been with my gorgeous girl for about six months and we have a pretty amazing sex life.

We are into bondage in a big way and enjoy dressing up and watching sex videos together.

A couple of months ago she came home with a professional movie camera that she'd borrowed from someone at work and I knew straight away what she had in mind.

I was totally turned on by the idea and we agreed to play our favourite sex game.

I pretended to be a workman who arrives at a house to find a beautiful, but frustrated and horny, housewife crying out for a good screwing.

Slurped

We set up the camera in the kitchen and she put on her sexiest nightie with nothing underneath.

I rang the bell and she let me in. I was pretending to fix the tumble dryer as she bent over in front of me, showing her bare arse.

She sank to her knees and released my hard cock before taking me into her mouth.

And she made sure the camera picked up every glistening inch of my cock disappearing deep down her throat.

She slurped on my manhood and stroked my shaft from the tip to my balls as I moaned loudly with pleasure.

We were both so turned on she could sense I was about to come, so she withdrew her lips just in time.

Without further ado, she plunged her gaping love-hole down hard on me, taking my eight-incher to the hilt – crying out with pleasure as she rode me until we climaxed together.

The problem is I've since found out that my girlfriend made a copy of the film and has been showing it to her girlie mates.

I like her a lot, but I feel used and betrayed and I'm wondering whether to dump her.

What do you think?

GJ, Essex

Ashleigh says…

STOP your moaning. Most blokes would be pleased to be shown off like that to their partner's pals.

Dear Ashleigh,

I LOVE giving my hubby a gobble and get all hot and horny when he shoots down my throat.

But he refuses go down on me in return. He says it's not natural for blokes to go down there, even though he's seen male actors do it in porn films.

He says I shouldn't give to receive and should do it because I like to.

I do enjoy it, because it pleases him, but surely he should feel the same about pleasing me.

What do you think?

MG, Newcastle

Ashleigh says…

TELL him to lick you out or pack his bags!

Coach driver's ride of his life with horny hen girls

Dear Ashleigh,

I'M a coach driver and I recently took 30 horny women on a hen night.

During the journey to a city nightclub the girls got merrier and merrier as they got stuck into a never-ending supply of Prosecco, so eventually we pulled into a service area for a piss stop.

As I was about to get off the coach to have a leek myself, this blonde cracker with big tits grabbed me by the bollocks and led me to the cramped toilet.

Moments later, she was sucking me off expertly. As I was about to shoot my load, she whipped my cock out of her mouth, sat me on the bog and then started riding me for all she was worth.

Fingering

When we'd finished I opened the bog door and couldn't believe my eyes. There was now a queue of 10 randy women!

I couldn't believe my good luck and quickly rose to the challenge. I ended up shagging, fingering or licking out all of them.

When the bus arrived at our destination, one girl said that she wanted to be "f**ked silly" on the back seat, so I took her from behind and all the girls cheered when I came.

Unfortunately, on the way home they were all too busy throwing up to give any more blowjobs, but it was some trip!

HF, Glasgow

Ashleigh says…

SOUNDS like you had the ride of your life!

Dear Ashleigh,

I'M a married man in my mid-40s and I make love to my wife two or three times a year.

But the youngsters these days seem to be bonking every minute of the day.

We live near a row of shops that include a takeaway and an off licence.

On weekend nights gangs of boys and girls gather outside – smoking, drinking and swearing like troopers.

And some of them go around the back and have intercourse.

I can see the rear of the shops from my back bedroom window and I often sit there for hours with my binoculars watching these sordid goings-on.

I have seen full sex, heavy petting, oral sex and even some doggy-style action – and I think it's bloody disgusting.

One particular big-boobed girl often leads boys around there, kneels before them and gives them oral to completion.

I've mentioned it to the wife, but she just says they're youngsters having a bit of fun.

Should I tell the police?

DH, Devon

'I love the idea of being looked upon while I'm shagging hard!'

...WITH LUCY LY, 29 34D-25-35, FROM NEWCASTLE

MY favourite sex fantasy is being watched while I'm shagging fast and furiously!

I've always liked it risky – knowing someone could see us is such a thrill...and it's got me into some trouble!

There have been times I've pulled a hot bloke in a club and been too all over each for a public place and the bouncer has told us off, so we just carried on outside!

And I've got carried away on holiday several times on balconies or in the pool – one time someone complained and a manager knocked on our door. Oops!

Another hot time was when I was on a train with my boyfriend for a weekend away in London. We'd had a few drinks and started caressing each other under a blanket while sitting there in the carriage.

We were trying to do it slow and carefully so as not to be obvious. He had pushed my knickers to one side and was gently rubbing my clit and I had the best orgasm of my life!

I had to be as quiet as possible which made it intense – being touched real slow kinda gave me an all-body climax.

I let out a little whimper. I think – I couldn't help it!

I'm lucky to have not got banned from trains!"

eva PARCKER

BUSTY Eva Parcker says her love life is literally up and down – because she loves to shag at THEME PARKS.

The 23-year-old model was once given the ride of her life when she got stuck in a haunted house with her fella.

But rather than wait quietly to be rescued, the pair seized the chance to enjoy a quickie.

Here she is showing off her 34Ds in a saucy photoshoot.

The Birmingham-born beauty revealed: “At first I was nervous about being trapped in the dark, so I reached out to grab my man’s hand.

“But I missed and ended up with my fingers wrapped around his cock.

“Needless to say, my fella did not need any encouragement and we both left with a broad grin on our faces!

“We even got a refund – so we grabbed a taxi home and carried on there.”

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

MICHELLE THORN

STUDENT Harrison Kelly is a lot younger than glamour legend Michelle Thorne and is desperate to be her toyboy.

Harrison, 20, is studying physics at the University of Kent – but there's only one woman he wants to get physical with.

He said: "Michelle is 40-years-old but in my eyes that means she's got tons of experience and knows exactly what to do in the bedroom – she could teach me a thing or two.

"She's a stunna with a massive pair of 30Es and if she wants to turn into a cougar I'll be banging down her door anytime she wants."

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

JESSYCA WILSON

PLUMBER Kevin Jackson begged us for a photo of Jessyca Wilson – and we are happy to oblige.

Kevin, 64, from Doncaster, wrote in requesting a saucy snap of 33-year-old Budapest-born beauty Jessyca.

He said: "Jessyca might be nearly half my age but by God, she's fit!

Those 34Ds are a sight to behold and I'll have more than a stiff pipe once I've seen her photo.

"If you could print a nice pocket-sized one of her for me that'd be great – and of course I'd love those massive knockers to be the centre of attention."

STEPH KNIGHT

TAXI driver Emet Atalya fantasises about glamour girl Steph Knight hailing his cab.

The 33-year-old from Deby gets his fair share of passengers but his dream would be for topless stunna Steph, 26, to flag him down.

He said: "Maddie is from Derby too so there's every chance that one day she might hop into my taxi.

"I dream about her jumping in the back – I'd love to see those 32Es in real-life!."

Haven't seen your favourite model for a while? Drop us a note and we'll put her in the paper! Email request@sundaysport.co.uk

#CAM GIRL OF THE WEEK

GORGEOUS Preeti Young knows what she wants in the bedroom – and she's not afraid to demand it.

By JAYNE FERGUSON
new@sundaysport.co.uk

The 32FF cracker, from Lambeth, south London, said: "My thing is being ultra bossy in the bedroom – I just love to take full control.

"I'm no stranger to spanking, whips, butt plugs and strap-ons, and I love a little domination.

"I have an obsession with dressing up too – leather bodices, fishnet body stockings… you name it, I've got it!"

The brunette beauty added: "My man can be any type of submissive – a naughty boy who needs to be punished, an obedient slave, or just a guy who will give in to me and all my demands.

"Some women are too often told they need to be submissive.

"Well, I don't wait to be given 'permission' for sex – I take what I want, when I want it!"

FORECAST: Lampard

Lampard: No need for ton to take title

FRANK Lampard believes the days of the Premier League title winners clocking up around 100 points are over — for now at least.

Manchester City and Liverpool have set high marks in the past few seasons with at least 98 needed to come out on top.

Chelsea earned 93 points in their last title win of 2017 but even that may be more than this year's victors manage.

At the moment, just over two points per game is enough to see Tottenham leading the way. If that carries on 80 points might be enough to take the pennant. That would be the lowest total since 1997 when Man United topped the pile with just 75.

BIG WIN: Carlo Ancelotti

Lamps believes the strange times we are living in will mean fewer wins are needed to lift the title.

But he thinks the also-rans have really closed the gap.

There are more teams capable of taking points off the big two as Fulham showed in holding Liverpool to a point at Craven Cottage on Sunday.

Lampard points to his own side's defeat at Everton as more evidence of how the league is much more competitive.

He said: "I think that's just where we're at this season. We felt it first hand at the weekend with Everton.

"They've got good players, they invested in the summer, they're a good squad, they were well organised and they made it very difficult for us.

"And watching the games on Sunday, you see that all over the place.

YOUNGSTER: Kai Havertz

"The league is getting tighter for whatever reason. I think teams are strengthening, they're very well organised and I think certainly I felt our preparation into the season was slightly different so we've been a bit of a work in progress.

"We feel ourselves we've already lost some points we maybe wouldn't have done. Everyone will feel that in their own ways.

"We must sure we maintain our levels and keep improving to stay in that."

Lampard has earned plaudits for Chelsea's start to the season that saw them go 17 games without defeat. But he points to the amount of new faces in his side.

He added: "We've got new players and people maybe want to look at the price-tag butsome of them are young in this league for the first time."

CRAP: Mikel Arteta knows his Arsenal side isn't good enough

WE'RE CRAP & WE KNOW IT!

Honest Arteta vows to sort out Arsenal

MIKEL Arteta admits his Arsenal side have been a load of crap this season — but he's the right man to sort it out.

By PAUL THOMAS

The Gunners have made their worst league season start since 1974 and have lost four home games on the spin for the first time since the 1960s.

Arteta arrived this time last year with a massive reputation thanks to his time as No2 to Pep Guardiola at Manchester City.

The Spaniard said: "Yes I am the right man.

"I feel the pressure all the time.

"And we have to face it being brave, fighting and no-one giving up or anything because it is no time to hide.

"It's time to put your face and your body on the line and at the moment, I'm sorry, but we have to take the bullets.

"We are not winning football matches and you have to put your chest there and hit me — you have the right to hit me because I'm not winning, so what else can I do?

"Put my head down, work harder and try to do things better and improve. It's how we have to approach things, in my opinion.

"It's natural, I accept it. It's part of the job.

"When you are not getting results, at the end of the day it's the manager who has the maximum responsibility.

"So that's why I accept them, because you can say whatever you want to explain but at the end you have to win football matches and this club is too big to accept this many losses in the last weeks.

"So, my chest is here and hit me, guys."

While pressure is growing on Arteta, the club's director of football Edu is also facing calls to up his game.

He is supporting the manager but is dropping hints that some of the younger players at the club should be getting time on the pitch.

Experience

The Brazilian said: "If you see how many young players get a chance — Joe Willock got a place, Emile Smith Rowe is starting to be on the bench, Ainsley Maitland-Niles is starting to be in the international team and Saka has been unbelievable."

Edu believes that the next few years will be better as these players improve with experience.

He added: "There are a lot of young players, and don't forget, Kieran Tierney is young, Gabriel is young, Gabriel Martinelli is young.

"We have a quite interesting future in the club when you are taking about these players – we have a beautiful future."

Gunners legend Ian Wright would like to see some of the old guard ditched.

He added: "Throw in Eddie Nketiah, Emile Smith Rowe, Joe Willock, Ainsley Maitland-Niles.

"You need to do something different because if it carries on like this and he continues to have faith in these players, and they are not delivering, then I don't know what's going to happen next."

OUR TOP TIPSTER WITH ALL HIS BEST SPORTING BETS

Spurs to come up short at Anfield

NEEDS HIS A-GAME: Sadio Mane

LIVERPOOL can lay down a big marker in the title race by beating Tottenham at Anfield tonight.

CHAMPS CAN LAND 2-1 WIN

Jose Mourinho is taking full advantage of the strange times we live in with his counter-attacking style working wonders.

His side left the weekend topping the table. But their points haul at this stage last season would have left them in fifth place.

I've bored on before about how an empty White Hart Lane is a dream for the Special One who can allow the visitors to have 60% possession and hit them on the break.

He will operated those tactics at Anfield and hope to nick a goal or, failing that, squeeze out a 0-0 draw.

The Reds are like two teams at the moment. On the road they have all sorts of issues and were lucky to get a point against lowly Fulham at the weekend.

But it's a different matter at Anfield where even the small crowd will spur them on to beat Spurs.

The Reds have won four of the past five homes against the Londoners.

And, if Sadio Mane, Mo Salah and Roberto Firmino have their shooting boots on they can extend that sequence.

Liverpool need their wide men Andy Robertson and Trent Alexander-Arnold to be at their best as stretching the play will be key to getting around Jose's parked bus.

Despite missing their first choice centre-backs, the Reds have kept things tight at home with just two goals shipped in four matches.

At the same time, Spurs rarely manage to score more than once in their road trips.

That was the case at Crystal Palace last time where they sat back and allowed the Eagles to recover after taking the lead. If Liverpool score first in this game then Mourinho's plan may unravel.

The home side are 4/5 with Tottenham a fair 7/2 and the draw 3/1.

That's not a bad price for the home win but you can boost it looking at the correct score market.

This fixture has had a habit of finishing 2-1 and that is tempting again at 8/1 with Betvictor.

The 6pm kick-off on Amazon Prime looks set for a draw between Leicester and Everton. The Foxes looked to have found their mojo with a 3-0 weekend win at struggling Brighton while Everton were deserved winners against Chelsea.

If you like betting on the total goals market this looks like a good one with Leicester regularly hitting the target and the visitors' having an iffy goalie even if he is England's number one.

You won't get rich but over 2.5 goals looks likely at a general 4/6.

I would have a small interest in the 2-2 draw which is much more tempting at 13/1 with Betvictor or 12s everywhere else.

Sheffield United would love to bag their first win of the season when they welcome Man United to Bramall Lane at 8pm.

It's hard to see it with the Blades in such shocking form. They have managed to lose 14 of their past 15 league games and were spanked twice last season by Ole's lads.

The Red Devils have a habit of coming from behind this season so there's every chance that the home side will hit the target at some point.

So go for the away win with both teams to score at 23/10 with several firms.

NOT GREAT: Jordan Pickford

DEMAND: Haaland

HAALAND HAPPY TO STAY AT BORUSSIA

By ANDY MILLOM

ERLING Haaland says he's in no rush to leave Borussia Dortmund.

The striker is banging in goals galore for the Germans and is being closely linked with a move to either Liverpool or one of the Manchester clubs as soon as January.

Juventus have also been sniffing around with strong rumours of a post-Christmas move for the Norwegian.

You can see why after he picked up the Golden Boy award for knocking in 44 goals in all competitions last season.

He's only 20 and has picked up where he left off this term with ten strikes in just eight Bundesliga games this campaign.

He is on the sidelines for a couple of weeks with a hamstring issue and that has only beefed up the transfer talk.

But Haaland insists he is happy in Germany even though Dortmund's boss Lucien Favre has just been sacked after a run of bad results.

The striker said: "I've been at Borussia Dortmund for a year here, I'm fine here and I'm happy.

"Have I been close to Juventus? That's what they say, but I've never said it."

There seems little chance of Haaland going to AC Milan but he has made no secret of his admiration for fellow Scandinavian Zlatan Ibrahimovic.

He said: "In my life I have had many idols, I try to learn as much as possible from the other strikers. Ibrahimovic is one of the best ever and I try to learn as much as possible from him, he is one of my idols."

And his best pal Jens Petter Hauge is already doing well at the San Siro. Haaland added: "Hauge is doing well and we are very good friends, he is a great talent. He plays for a beautiful club and at a very good club. He has to continue to work hard and play like that, he has a great career ahead of him. My dream is to win the Champions League."

HERO: Ibrahimovic

Manchester United would love to buy the striker but may face an issue because his agent is Mino Raiola.

He also looks after Paul Pogba and has been making noises about him leaving which has upset plenty of people at Old Trafford.

JUVE GOT TO WAIT

Pogba swerves January Italy move

By JOHN ANTHONY

JUVENTUS will have to wait until the summer to get their hands on Paul Pogba.

The Manchester United midfielder's agent Mino Raiola has made no secret that he will be leaving the club.

But it looks like only Juventus are interested in their former player. With little prospect of a bidding war with the likes of Real Madrid, it looks as though Pogba's camp will wait until the end of the season.

Then other clubs may be interested and put more cash on the table.

Juventus are thought to have offered Miralem Pjanic and Douglas Costa plus cash for Pogba in the summer.

But boss Ole Gunnar Solskjaer snubbed that and many United fans are shocked that he is picking the Frenchman over Donny van de Beek who came in for £40m in August.

And the Norwegian believes Pogba can still show his true form if he just ignores what his agent is saying. The Reds boss said: "You have to talk on the pitch as a footballer.

"That is where the proof is. You cannot stop good players from playing well if they concentrate on their performances and Paul has been focused on football.

"He's getting back to shape and is fitter and fitter now, so should be ready to go again."
